</table>

A Társaság az általa közszolgáltatási tevékenység ellátásához kapcsolódóan üzemeltetésébe vett lakossági házi átemelők működtetéséhez szükséges, a felhasználó által biztosított villamos energia ellentételezésére az átvétel napjától bruttó 15 Ft/m³ költségterítést fizet.

A szolgáltatási díjak megadatápása nettó (ÁFA nélkül) összegben történik meg. Emiatt a számlákban az általános forgalmi adó számítása a fent megadott bruttó értékekhez képest eltérést okozhat az esetleges kerekítések miatt.
